Hello, I am finally back on Elden Ring after a few weeks. I plan to blog one of my favorite games, A Voice In the Gran Pulse. I am slowly working on Quindine, another game I made. Quindine is a frozen world with no events. When people die on a free-world they go to the next world called 'Quindine' where they can reincarnate.

The song "Gran Pulse" the main theme used in the ending credits was written and sung by Ayumi Hamasaki and her band Speed-Tec. The lyrics were written by Shogo Ishinomori. This game was my first step in making a Japanese RPG. Also it is the first game I made while I was 17-18 years old.
