It has been corrected to reflect that CESG is a collaborative unit of CU, the National Oceanic and Atmospheric Administration (NOAA), and the USDA Forest Service. Researchers are testing an application in Nicaragua that alerts farmers when to be vigilant for pest control by monitoring crop yield. Ascension Parish is a major commercial potato producer in the American Great Plains. The parish, located in central Louisiana, uses pest-monitoring software developed by Texas-based Agriperk Technologies. The application is now in use in the Caribbean, and can follow from the tip of a thumb to the tip of the forefinger. "We have a huge problem with potato late blight in Louisiana," said Isaac Thomas, a farmer at the Heart of the Delta Research and Extension Center in Rayne, Louisiana. "Late blight is a relentless pest that you have to control with chemicals each and every year." Ascension Parish has released a challenge grant for the use of the monitoring tool, said Tommy Martin, coordinator of heart of the delta. The grant, valued at \$22,500, will support the implementation of the botanical software

In the past, investors have had to buy gold for a little above market value to get their hands on the coins. The market value of gold has since plummeted, so some investors have created a middle ground by buying the coins directly at the mint at that discounted price. But as the price of gold and the value of the U.S. dollar have climbed over the last few years, this particular hedge against inflation has become riskier. Investors now have to pay a higher premium to obtain coins that were cheaper when the price of gold was at its height."es exceptionales de la clase moderada. En Buenos Aires, la misma tarea no se lo espera, y el poder oculta su autoridad no por acaso el mismo hombre de negocios que creó el gobierno de Scioli, el ingeniero de derecha Jaime de los Santos, su socializador Juan Carlos Álvarez. En su nuevo gobierno, las prioridades no sólo son la mayor pobreza y la desigualdad, sino que será el gobierno "de Argentina" la fachada. Cuando al gobierno de Néstor Kirchner le molestó el deje comparativo, lo nombraron con el doble epígrafe "Jefe de Estado, Presidente de la Nación", así como hace 25 años escogió su nombre de tarde, como d0c515b9f4
