It's from Deuteronomy 1:26: וְיַעֲמַשׁ לְיַעֲמֹשׁ יְבִיא לְאַרְשֵׁי וְיִסְבֵּא מִיְהוָה לְאֵל, וְיִסְבֵּא מִיְהוָה לְאֵל, וְיִסְבֵּא מִיְהוָה לְאֵל, וְיִסְבֵּא מִיְהוָה לְאֵל. I am going to intreat you, and ye shall be for me a kingdom of priests, and an holy nation. The word וְיַעֲמֹשׁ is translated as "kingdom" in the NASB, ESV, NIV, NET and NLT. The JPS Tanakh translates it as "holy nation." It is a good translation of the word וְיַעֲמֹשׁ. However, in the AV translation it is translated as "kingdom" and in the NAB it is translated as "holy nation." A Jewish Encyclopedia article defines "kingdom" and "holy nation" as two different things. The article explains that in a kingdom no one has to pay taxes. It says that in a "kingdom" it's the "king's responsibility to pay taxes." It says that in a "holy nation" there is "no king." What is the reason for the different translations and how can you take one translation and translate it differently? A: It simply means "to be faithful" (or "truthful"; חַנּוּן, channay, "treachery,

Artemisia, the goddess of the hunt who takes the form of a deer, is the daughter of Zeus and Leto. For this reason she is sometimes called an Artemis-deer. Another name by which she is known is Artemis of the chase, and she is also referred to by the more ancient epithet Asipyptos. She is also known as Tanagra, possibly after the place in Boeotia from which her name was derived. Asipyptos may have been the name of the mother of her twin sister, Hippodamia, or it may have been the name of one of the several Asipyptoi. The epithet Asipyptos, "of the forest", was probably also given in honour of the forest in Boeotia where Artemis often delighted in the chase. In mythology, Artemis, also known as Diana, is the goddess of the hunt, the moon, childbirth, animals, purity, and the wilderness. In Greek mythology she was also known as Callisto, the name of a woman who was changed by Zeus into a bear while she was hunting with Artemis. Callisto was a huntress and the huntress goddess Artemis was often depicted as a bear because of her association with Callisto. Later, after Artemis was worshiped by the city of Ephesus, she came to be called Diana, after her Greek name. She is associated with the moon, and is the patroness of many female divinities, including the nymphs who make their home under the goddess's sanctuaries.
