Get ready for Runbow! Runbow is a fast-paced party game for up to 8 players locally and 9 players online. Platforms and obstacles appear and disappear. Each character has their own fighting style and special abilities (speed, defense, attack, etc.) that develop over time. During the battle, the characters will use their abilities to repel the attacks and attacks of the enemy in different directions. The game also has the ability to earn player points by completing special actions. Runbow has no single rule, giving players the freedom to play different variations of the game.
