A: You have many whitespace characters in your string, so it's not picking up your regex. What I recommend you do is convert the whitespace into a single character, or a character with a meaning (e.g. a space or underscore) Replace your code with this: `re.search(r"4.43", "", "kangurekkaorunda2crackchomikuj")` is not None: Or this: `re.search(r"3.43", "", "kangurekkaorunda2crackchomikuj")` is not None: After the defeat of the 1789 Constitutional Charter, the Society of Saint-Simonians (called simply the Simianists at first) rallied around a new cause, the Republic, and its great leader, Saint-Simon. The era now known as the Restoration (1715-1715) followed. Like the Old Regime, the Restoration saw the rise of the nobility, the wealth of the aristocracy, and the continued centralization of government authority. But unlike the Old Regime, the restoration was not overthrown. Like the Old Regime, the restoration was overthrown by Napoleon Bonaparte's Second Empire. To the surprise of many, Saint-Simonians, who had originally fled the Kingdom of France, returned to France, and they not only peacefully accepted Napoleon's dictatorial rule but even participated in it. But the Saint-Simonians who remained in exile condemned Napoleon's rule, asserting its complete unacceptability. In the late 1840s and early 1850s, they organized a society in Lyons, the Société Saint-Simonienne Démocratique Républicaine, which changed its name to the Société Saint-Simonienne Démocratique, and in 1848 finally reached a point of no return, declaring Napoleon III the absolute Emperor of France. It was at this point that Saint-Simonians began to differ, with the Saint-Simonians who had not joined in 1848 abandoning the Saint-Simonians who had. The difference became even clearer during

---

the Second Empire when the Saint-Simonians who had not adhered to Napoleon's rule found themselves an object of derision and contempt. The Saint-Simonians who had been identified with Napoleon suffered far more than their critics did. The Saint-Simonians of the 1848 generation were certainly a numerically small group. But the truth is that Saint-Simonians existed prior to the Saint-Simonians of 1848, and the Saint-Simonians of 1848 did not shatter the institution of Saint-Simonism. While Saint-Simonians in exile generated ideas in France, and Saint-Simonians with pro-monarchical sympathies were soon after the Revolution of 1830 active, the Saint-Simonians of 1848, like their predecessors, remained a tiny group. 5ec8ef588b
